RE: SUPPLEMENT TO PETITIONER'S EXHIBIT(S)
FILE NO.: 5:18CV0092

Dear Madame Clerk:

I filed a Rule 59(e) motion for reconsideration, in the above-captioned matter, on October 16, 2019, with affidavit and accompanying exhibit #1. Said exhibit was amended on October 24, 2019, to include even-numbered pages that had been previously omitted. In the Honorable Judge Frank D. Whitney's October 1, 2019 Order, he informed this petitioner that the Court had been unable to locate a copy of the relevant statute referenced throughout petitioner's pleading(s) which petitioner had also been unable to procure. Since then however, through nothing short of divine intervention, petitioner has been blessed with a copy of said statutes, attest to their authenticity—under penalty of perjury—and now respectfully ask that they be attached to his verified motion as exhibit#2.

Sincerely yours,

Marshall L. Brown, Jr.
